Weinberg Village Resident Profile Trudy B.

For over twenty years, Weinberg Village has offered unparalleled *Assisted Living with an Independent Lifestyle*, secure Memory Care, Respite Care and rehab services — all on a beautiful twenty-one acre, gated, multi-generational campus. Today we recognize a very special woman who enjoys the wonderful lifestyle we offer our residents. Trudy was born in Brooklyn, NY and at 11 years old moved to Queens, NY. She married her high school sweetheart, worked as a bookkeeper and went to Queens College where, later, she and her daughter both graduated the same year with degrees in Accounting. Trudy's move to Florida was motivated by the climate and she retired in the beautiful Sunshine State in 2000.

She has 3 children and 5 grandchildren; they are 4 girls and 1 boy. Trudy has traveled all over the country on road trips, cruises and to many different countries. Trudy's favorite pastime is reading, she enjoys the group activities very much. At Weinberg Village her favorite meal is breakfast, especially the eggs and pancakes. Trudy has not experienced live Shabbat services or Seder at Weinberg Village yet, because of the pandemic, but she watched services from her room on the

Trudy appreciates the lush landscapes of our campus, the fountain, the wonderful gardens, and delights in the fresh air while taking in the scenery. She likes the other residents very much and several have called her over the last few days since she’s been in lock down. She looks forward to joining her lovely table of friends in the dining room again. Trudy says that people who try to reach her on her room phone often are unable to because she is so busy enjoying the campus and activities, she is seldom found in her room. Trudy is currently enjoying following the Tokyo Olympics.
